

O.J. SEMMES, JR. IS PRESIDENT

WAS ELECTED YESTERDAY TO HEAD GREATER PENSACOLA CLUB FOR ENSUING MONTH—INTERESTING ADDRESSES ARE HEARD AT LUNCHEON.

O. J. Semmes, Jr., was yesterday elected president of the Greater Pensacola Club, the election being held at the close of the weekly luncheon.

C. W. Lamar acted as toastmaster at the luncheon and addresses were made by John W. Bullock, J. T. Peele, and Chas. W. Benjamin.

Mr. Bullock spoke on the necessity of developing our cut-over timber lands for farming purposes. This development, he said, should not be left to the land agent and the land seller, but business men and others interested should see to it that settlers are helped to get the right lands at reasonable prices and are given the proper encouragement to get started and to succeed.

J. T. Peele spoke on the benefits of the rural telephone, showing how farmers may use it to advantage. Rural telephone lines can be constructed, according to Mr. Peele, at the following cost per mile:

30 poles at \$2.50 \$75.00
Two wires 12.00

Total cost per mile \$87.00
The cost of installing an instrument is \$1.75, and six farmers on a party line can get the service for \$9.00 per year each.

Chas. W. Benjamin, who recently came to Pensacola from California and is now in the life insurance business here, told of some of the methods adapted to develop California and said the same thing in Florida. He complimented Pensacola as being an exceptionally clean seaport city and said it could be made a very prosperous city by developing the back country and employing the ships that now come here in water ballast to bring raw material here for manufacturing purposes.

President Max L. Bear announced that his term expired with this meeting, and O. J. Semmes, Jr., was nominated and unanimously elected president for the ensuing month.

HEIN'S PURE CREAM
Now ready to serve in the confectionery and also to deliver to your home in any quantities, well packed and guaranteed. Try an ice cream that's different. Hein's Confectionery, 16 S. Palafox Phone 651.

FEDERAL BLDG. TO BE FINISHED SEPTEMBER 15

POSTOFFICE WILL BE IN OPERATION IN ITS RENOVATED QUARTERS BY FIRST OF OCTOBER.

It is expected that work on the Federal building will be completed by September 15, at the latest, and that the postoffice and other government offices will be opened therein before the first of October. For several days past the new United States court room and grand jury room has been occupied, this being necessary because of the fact that the rooms of the court of record were not available. An appropriation of \$30,000 required to complete the improvements to the building became available July 1, and a portion of this money will be expended in providing marble wainscoting for the lobby of the postoffice. There is considerable finishing yet to be done on the interior and a number of changes to be made in the basement of the structure. A roadway will

be constructed from Palafox to a connection with the road leading to the rear of the building from Government street, and the sidewalk on both sides will be put in good condition.

Cessna today, 10, 3:00, 7:30

M'KINNONVILLE.

McKinnonville, July 25.—Crops here have been greatly shortened on account of the drought, which came in May and June, but the rains came in time to prevent their being an entire failure. The yield from corn will be about half of what was at first counted upon.

Miss Mabel Lee went to Atmore Tuesday last.

Mr. and Mrs. Thos. Freeman left Wednesday for Biloxi, Miss., where they will spend two weeks with relatives.

Mr. and Mrs. Albert McJellan of Atmore, are visitors here for two weeks. They are staying at the home of Mr. and Mrs. Freeman.

Messrs. Robert McKinnon and Deward Johnson made a business trip to Moline one day last week.

Mrs. D. C. Henderson and children will leave Tuesday for a two months' visit with relatives at Beatrice, Ala.

Dr. Clifford McKinnon went to Barrineau Park Tuesday.

Miss Glennie Malone returned Friday for a visit of several weeks with relatives at Freemanville.

Mr. Charlie Malone was a visitor to the Deep Water City Monday.

SEWER WORK WILL COST THE CITY \$15,000

EXTENSIVE BUT URGENT REPAIRS ARE POINTED OUT IN AN ESTIMATE WHICH HAS BEEN PREPARED BY THE ENGINEER.

Should the estimates which have been prepared by the city engineer be carried through, and they all cover urgent items, the city will be called upon to spend about \$15,000 on the sewer on DeVilliers street.

Inspections in that lead of sewer were reported some weeks ago by the engineer, and it has been ascertained by Engineer Thornton that the sewer is not only in need of repairs, but he said repairs are of a urgent nature, and must be attended to immediately. The sewer has been pronounced in a dangerous condition on one or two blocks, and as this will necessitate the tearing out and replacing of the brick pavement, all the figures in the total cost, and the estimate is said to

represent quite a conservative figure. This work will not be done by the city unless no satisfactory bids are received. The work will probably be advertised, and all bids will be received and opened at the city hall, where, if a satisfactory offer to do the work is received, the work will go to a private contractor. Otherwise, the city will do it.

SAN CARLOS Taxi Exchange. Phone 200.

JAY.

Jay, July 25.—The Normal singing school at this place is progressing nicely with an enrollment of about sixty-five.

Rev. J. J. Nelson left Sunday for Galliver to assist in a meeting at that place. He was accompanied by Mr. Jacob Wise.

The Methodist protracted meeting at Mt. Carmel church began Sunday and continued through the week.

Mr. R. E. Moore and family returned home last Friday, after a delightful visit with relatives near Evergreen, Ala.

Miss Bessie Faircloth left last Friday to visit relatives at Chapman, Ala. She will return home Saturday.

An all-day singing will be held at this place the fourth Sunday. Everybody invited.

Mrs. F. S. Higdon entertained the Ladies' Aid Society on last Friday.

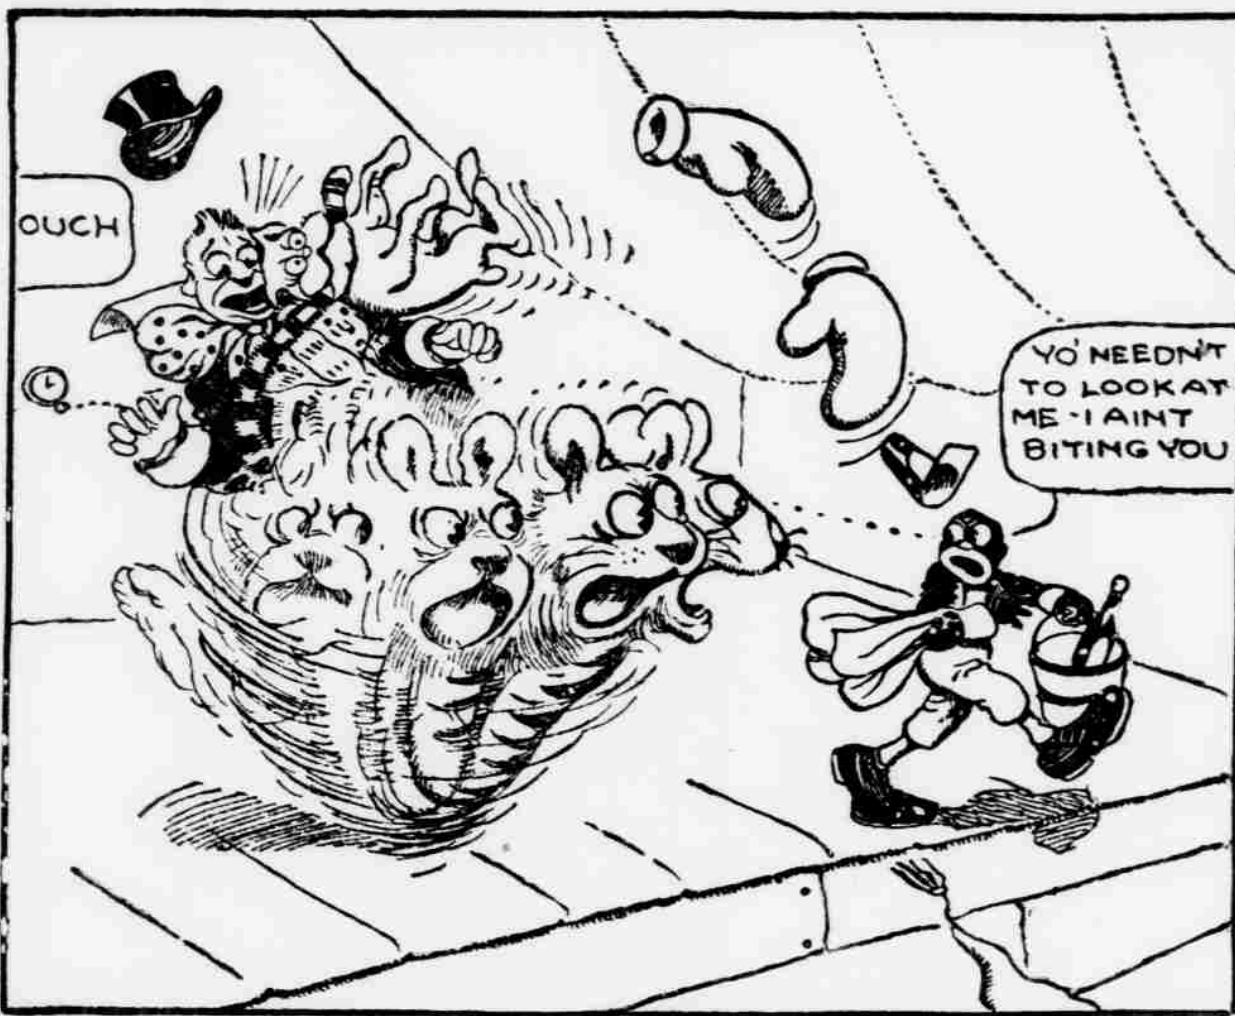

The Baptist protracted meeting will start here the first Sunday in August.

CLUTTER CASE DISPOSED OF

COURT GRANTS J. MARION CLUTTER SUM OF \$1,500, BUT HOLDS THAT NO PARTNERSHIP WITH HIM EXISTS.

The case of J. Marion Clutter vs. George W. Clutter, Ben E. Clutter and Emma Clutter, bill for an accounting, which has been before the circuit court for some time, was decided by Judge J. Emmett Wolfe Saturday. A decree was issued fixing the pecuniary interest of J. Marion Clutter in the estate of J. M. Clutter, deceased, at \$1,500 and declaring that no partnership existed in connection with the Clutter Music House, between complainant and defendants. The decree specifies the payment of \$500 to complainant within 10 days from date of decree and the further payment of \$100 per month for ten consecutive, with the privilege to defendants of paying the balance due at any time within 10 months. The court instructs complainant to execute a deed conveying his undivided interest in the real estate involved to the defendants in the action, upon payment of the sum specified.
